

Dining at Bramble Down...

Nutrition and hydration are crucial to everyone's well-being. As a result we place a big emphasis on meal times which provides a great opportunity for socialising whilst enjoying homemade tasty food in a relaxing environment.

We host a number of food and drink themed activities within our home. This includes coffee mornings with homemade cakes, wine tasting and mocktail afternoons.

Nursing Care At Bramble Down...

Bramble down has a nurse on duty at all times. This means we can support people who need additional nursing care, including residents with physical disabilities, those who need rehabilitation after an operation or illness, or those with long-term health conditions.

Life at Bramble Down...

The main lounge is the heart of the home with a mock fire place emanating a cosy feel. Its a sociable space where we often enjoy a lively discussion or two! French doors open out onto our garden with water fountain, sensory elements and several bird tables.

Back inside, our dining room has plenty of room for us to sit down to delicious homecooked meals together. There is a lounge area at one end which is perfect for quieter moments.

Activities...

Our activities co-ordinators do a great job organising a wide range of clubs and events.

Residents may choose from arts and crafts, cookery, quizzes, gardening projects and more.
